The supreme of the universe. He is the creator of all things (Is. 44:24) He alone is god (Is 45:21, 22; 46:9 47:8) There have never been gods before Him nor will there be after him (Is 43:10) god is god from all eternity (ps. 90:2) In Exodus 3:14 god is trinity knows all things 1 John 5:20 Can do all things, Except those things against His nature like lie break his word and is Every where all the time.

Islam: common term for male deity: I like cool

Assamed (absolute Existence) which can be attributed only to Allah, all other existance being temporal or conditional, It Also means that Allah is not dependent on any person or thing, but all persons and things are dependant on him

Hinduism: 1) God is immanent and formless God is Pure consciousness: I like you guy cool

2) manifestation appears in god and though God's power, but its not its creator, god never acts, God Just Is. God has neither will nor Desire

3) individuality is the illusion that w

TAOISM
216914

The TAO is considered una and unknowable the essent element of all that is. E is basically one despite of differences, Because a matters of good and evil. false as well as differing arise when people lose sight and think that their privat absolutely true. this can be a person looking out a small thinking he sees the whole wor he sees is one small portion a all is one, life and death mer each other as do the seasons they are not in opposition to but are only two aspects of reality. the life of the individ one and goes back into it

Hermeticism

System of gnostic thought known from the Corpus Hermeticum a collection of philosophical and magical text dating from the 2nd and 3rd cent. The Egyptian god Thoth is identified with the gr Hermes who is called thrice greatest Trismegis At one time they were thought to have been w by a contemporary of Moses whose wisdom anticipated the philosophical and religious wisdo of Plato and Jesus Some of the text. x Self into a vision of god as Light the first

I can tell you nothing but this: I see th has come to be in me a form which is not fashio of matter and I have passed out of myself a entered into an immortal form I am no longer an coloured and tangible a thing of spatial dimensi To such eyes as yours my son I am not now v

the human and the divine are thus one must not be frightened of affirming that on earth is a mortal god and that a god in he is an immortal man Hermeticism and the Corpu became immensely influential in the Renaissance whe of the text were translated in Italy. The magical were taken up by John Dee Robert Fludd Paracelsus who developed Man as Microcosm Ph and did much to open the way to the so call scientific revolution a magical world view humans at the center of creative activity no passive recipients of revelation and ecclesiast control the corpus was correctly dated by I Casaubon
